### Feedback from last year's participants

*"Valuable for students and experienced practitioners alike. Everyone went away with something useful."*

*"I came away excited about the new knowledge gained and my greater ability to tackle challenging cases that will present in my practice."*

*"Very useful and practical application of homoeopathy. Great seminar!"*

*"Really enjoyed the case management & recognition of homoeopathic principles as seen in actual practice."*

*"Most helpful and inspiring!"*

*"Enjoyed learning how to integrate Jung and TCM with Homoeopathy"*

*"I found a mentor!" "TCM is fantastic"*

*"Materia Medica will never be the same! Thank you Dr Luc."*

For more information on Dr Luc, visit his website at [www.drluc.com](http://www.drluc.com)

### BOOKS

Books will be available to purchase at each seminar. Numbers will be limited so for those interested in purchasing, pre-ordering will minimise disappointment. To view Dr Luc's catalogue please go to <http://www.drluc.com/books-main.asp>. Please email [roxy@handsonhomoeopathics.com.au](mailto:roxy@handsonhomoeopathics.com.au) regarding any books you may wish to order.

# Dr. Luc de Schepper

MD., PhD., DI Hom., CHom., Lic.Ac.

## 2010 Seminars Brisbane 12-14 February Melbourne 19-21 February

Author of titles including: *Hahnemann Revisited, Achieving and Maintaining the Simillimum, Advanced Guide for Professional Homeopaths*, and many more...

Two inspiring opportunities to build valuable skills and insights. Dr Luc is known to his students throughout the world as a brilliant and inspiring lecturer and to thousands of his patients as a gentle and compassionate healer.

Dr Luc aims to further your homoeopathic passion and knowledge, to assist you to reach consistent and successful outcomes, thereby creating a rewarding practice. Simplified methodology in case taking and management will provide a guide through a lifetime of practice.

### 24 CPD points per seminar

## Seminar Programmes

In Brisbane, Dr Luc will take a psychotherapeutic approach to Materia Medica differentiation. Due to overwhelming requests by past participants, he'll provide further instruction into Traditional Chinese Medicine and it's application in homoeopathic practice. Dr Luc specialises in treating children with special needs and in Melbourne, will share his passion and knowledge in managing Autism and behavioural disorders.

### **Brisbane** **Delusional Persona's and applying TCM concepts in homoeopathic practice**

- Delusional persona's: definition, forms & causality;
- differentiating **Platina & Natrum Muriaticum** -search for a soul mate
- **Sulphur & Lachesis** - search for fame;
- **Cuprum Metallicum** - search for social position
- **Staphysagria** - search for independence
- **Syphilinum** - delusions

By request, a day will be spent correlating TCM concepts and homoeopathic case management.

- Fire Element - Course of the Meridians
- Functions of the Heart, Small Intestine, Pericardium and Triple Burner
- Fire Temperament
- Fire and the Cycles
- Fire and Disease Patterns
- Fire and Diet/Taste, Climate/Season,
- Fire pathology and homoeopathic remedies

### **Melbourne** **Autism: Past, Present and Future**

- Speech disturbances, prognostic implications and social outcome
- Etiology and treatment of autism, comparing allopathic/homoeopathic approaches
- How the brain is affected in Autism
- Epigenetics and homoeopathy - the "new genetics" based on environmental more than genetic factors. Is this the right direction for treatment and diagnosis?
- Biomedicine and homoeopathy: friend or foe? Does the action of biomedicine support homeopathy or rather presents a hindrance?
- Remedy pictures corresponding to speech impediment in Autism
- Clinical cases from the practice
